Year 5 Home Learning
Autumn 2: Who are the rogues?

Can I perform a poem?

Parent and Pupil Joint Challenge: This half term, we are looking at poetry. Find or write a poem that you enjoy and would feel confident to perform to your class. Practise your performance at home, thinking about your volume and how to entertain your audience. It could be a funny poem, a rhyming poem or even an acrostic poem.

Parent Challenge
Please support your child by letting them practise their performance with you.

Pupil Challenge
Write or find a poem that you could perform to your class. Practise your poem at home, ready for a performance.

Parents/carers: we have shared a range of examples with the children already in class, including looking at websites where they can find poems to read and take for free.

Be ready to share your poem during the week beginning 8th December.
